Produced 1 Champion to date

My first champion and dear to my heart, "Suzana" is a tall and elegant, flashy dark brindle bitch, who possesses a beautiful head, soft dark eyes and haoves, a correct bite, a long arched neck, excellent shoulder placement and level topline and great rear angulation. She is a superb mover with drive and style and has a wonderful temperament. She is a devoted companion.

CH. KARLYNA’S ABSOLUTELY PERFECT

SIRE: Ch. Kricket’s Jonathan

My first home-bred champion, “Abbie” finished at 13 months, having garnered both majors at Specialties. She has the combined best qualities of her Mom and Dad – a beautiful head and expression, strong in movement and showmanship and a delight to own.

KARLYNA’S APACHE SUNRISE

DAM: Ch. Bainridge O’Suzana of Karlyna

“Paches” is pointed and on his way to his championship. He is tall and handsome, with dark eyes, a correct head and bite. He has a level topline, properly placed shoulders, is of square build and well-balanced. Along with his littermate, “Paches” has a wonderful temperament, too.

"A SALUTE TO THE PET-CLASS BOXER"... who like his show-cousin, possesses the same true Boxer temperament, carefully bred and preserved from the original Munich dogs. Check any registered (1950-late 1960) American Boxer pedigree, and with 6-7 generations, you will usually find one or more or all of the "Boxer Big Four"—signed v. Dom, and his three relatives—Lustig, Utz, and Dorian.

**LEO BUSTER** (WB880379), Fawn/black mask, white markings, whelped January 23, 1966, breeder Clyde Cooke. Sire: Dixie’s Buster Boy (W884553). Dam: connie IX (W962413). Died September 13, 1977, **My First Boxer**. Exceptionally large (weight 85 lbs.), natural quiet dignity, formidable appearance, unbelievable intelligence, fluent ability to communicate, docile, reliable, unfailing vigilence, fierce loyalty, devotion, faithful for life. Within 7 generations, his pedigree included Sigurd (twice), Lustig (four times), Utz (5 times), Dorian (6 times)—true boxer temperament.

**INU** (WC210060), Fawn, black mask, white markings. Whelped March 25, 1972, present age 13 years. Breeder: Ben Edwards. Sire: Leo Buster Boy (WB462496). Dam: Rockaway Dutchess (WB462496). Smaller than Leo (65 lbs.), but the true Boxer temperament, a "live wire", with unbounded energy and interest in environment, love for fun-games, presents, cars and ball, possessive of his things, the same fluent ability to communicate, sensitive, totally reliable, selective friends, unbelievably intelligent, fierce loyalty, faithful companion for life, descended through all 3 of the Mazelaine’s War litter — Warbride, Warbaby, Warlord.

One who possesses beauty without vanity,

Is but just a tribute to my dog.

Plus, Best Puppy in Sweeps at the Eastern Boxer Club and Reserve Winners Bitch at Trenton Kennel Club. With back to back Best of Breeds and a Group Two from the classes she is close to finishing her title. In the Fall of 1985 we plan to breed her to Ch. Marquam Hill's Traper of TuRo.

BRIDGET, with such ABC Sires of Merit as Niklof's Columbo, Ch. Moreleen's Al-Le-Lu-la, Ch. TuRo's Native Dancer and Ch.
