Slam's arrival in Australia in 1975 heralded a dramatic rise in the quality and standard of the boxer. A son of "KREYONS BACK IN TOWN" out of the only litter he sired before going to the UK.

Slam died in 1980 and from 1975 to 1980 he sired 19 champions, 8 best in show winners, and from his first litter in Australia come champion "TONUP DAMN YANKEE", one of the few boxers to win over 1000 points during his show career. His litter sister Champion TONUP LIBERTY BELLE, is a specialty show and Royal show winner and dam of Australia's top winning bitch, Champion "TONUP GLORY BE". Glory Be has won under international judges and is a "best in show" and specialty show winner sired by Champion GREMLIN GREAT GALE (imp. UK) a grandson of "KREYONS BACK IN TOWN".

LAMENT OF A LADY WHO'S GONE TO THE DOGS

There was a time, there really was, when I was sweet and tender,
When dogs show meant a Disney Star and Bitch was not a gender.
I went to bed at half past ten, I went to church on Sunday
On Saturdays I baked the beans and did the wash on Monday.
But then I got a certain pup and a certain friend said show...
And so I did, and so I do, Oh! what I didn't know!!!!
I used to dress with flair and style, That was the life, don't knock it,
but now each dress from bed to ball must have a good bait pocket.
I used to have a certain air, I wallowed in perfume,
I used to smell of Nuit D'Amour, now I smell like Mr. Groom.
My furniture was haut decor, my pets a tank of guppies
Now I've furniture unstuffed and well adjusted puppies.
Once I spoke in pristine prose, In dulcet tone and frail,
But now I'm using language that would turn a sailor pale.
I was taught to be well groomed, no matter where I went,
Now all the grooming that I do is in the handlers tent.
I used to long for furs and jewels, and a figure classed as super.
Now the thing I long for most is a nice new pooper scooper.
I adored a man who murmured verse through intimate little dinners
But now the words I thrill to hear are just three---Best of Winners.
I rise at dawn and pack the car, the road ahead's along one.
The one I routed on the map, invariably, the wrong one
I really love the doggy life, I wouldn't care to change it
But when I get that Best in Show, I plan to rearrange it.
And when my time on earth is done, I'll go without much nudging
Just give me a three week closing date -
and let me know who's judging.............
