"In Memoriam"

Ch. Warsaw Siren Maly Lustig,
Can. & Am. C.D.X.
I am writing this note, in great sadness, to inform his many friends that my beloved friend and companion "Brandy" - Ch. Warsaw Siren Malay Lustig, Can. Am., C.D.X. has passed away. He died suddenly on December 20, 1984.

"Brandy" was a dog of extraordinary character and great accomplishments who was a credit not only to his own Boxer breed but to all dogs as well. In fact he has been aptly described as "a good-will ambassador" for them all.

"Brandy" was a very loving and devoted dog who liked nothing better than to meet people and to make them happy. Since he learned very easily he was able to achieve his Canadian Championship when he was only fourteen months old and his Canadian and American C.D.X. before he was three years old.

Following this achievement, beginning in 1979 until his death, Brandy devoted much of his time to public service in Sault Ste. Marie as well as a number of other places in Canada and the U.S. For instance, he spent many hours collecting thousands of dollars for the local Humane Society's Building Fund and many more hours plodding from door to door in bitter winter weather helping the local community to raise over twenty-four thousand dollars to buy food and medicine for the people in Poland who were then suffering under the imposition of Martial Law.

Although he enjoyed this canvassing for worthy causes, he enjoyed even more the weekly visits that he made to a variety of residences and institutions in the Soo.

Each week he would visit two Senior Citizens residences, two Retarded (Special) Children's residences, and a ward at the Plummer Memorial Hospital. At the same time, on many weekends, he would very often travel to Obedience trials in distant places.

Despite these many other activities, he was so successful that he became highest scoring Boxer in (obedience) in Canada in 1980-81-82 and in the top ten Working Group (obedience) in 1981-82. Brandy was the first pet therapy dog in Canada.

For these numerous and notable accomplishments, Brandy received many awards and much recognition. The local Humane Society, for example, in recognition of Brandy's magnificent efforts on behalf of their Animal Shelter Fund made him an Honorary member, gave him the great honour of "cutting" (i.e., scratching) the sod for the new shelter and even hung his picture, in perpetuity, in its lobby.

As well, the Boxer Club of Canada has named him a Dog of Merit, in recognition of his "outstanding contribution to the Boxer breed", and in 1983 he was asked to appear at the 1983 Toronto Met where he represented his breed so well that many passers-by stopped to pet him and to drop money in his collecting basket for animals less fortunate than he.

"Brandy" was such a very appealing animal that it is not hard to understand why so many people paid tribute to him in the form of cards, letters, telephone calls, flowers and even personal visits. He will be missed by his many friends and admirers.

As his breeder, owner, and trainer, "Brandy" brought me such great pleasure and pride that I shall remember him always and treasure each moment that we spent together. "Brandy", we miss you!

Boxers Bred to Be CHAMPIONS!
Dear A.B.C.:

TYPE, STYLE, SOUNDNESS AND TEMPERAMENT HAVE PAVED MERRILANE'S HAPPY ROAD TO WINNING AND PRODUCING. THIS ROUTE HAS PROVED IMPORTANT FOR MANY FINE BREEDERS THROUGHOUT THE WORLD USING THE FORSIGHT TO TRAVEL WITH MERRILANE TO ENHANCE THESE QUALITIES.

A standardbearer, CH. MERRILANE'S LOVE LIFE OF JOFRA, was Best in Show A.B.C. 1974 . . .

Continuing the Merrilane tradition, five homebreds finished their A.K.C. championship in 1984. A combined effort with Woodcrest has produced a sensational youngster in Merrilane’s Woodcrest Ball . . . Watch for our “Bash” in ‘85.

Our very best wishes are extended to the A.B.C. for a most successful 50th Club Anniversary and 1985 Specialty Show.

Complimentary yours, Carl A. and Eleanor Linderholm Wood

CH. MERRILANE’S HOLIDAY FASHION

By Int. Ch. Millan’s Fashion Hint ex Merriland’s Mad Passion, C.D., whelped on 12-18-73, he completed his championship before he was a year old, and was ABC Grand Prize Futurity winner in 1975. During his show career, he amassed some 31 BB wins, including several specialties and Groups. Handled exclusively by his breeder, Eleanor Linderholm (now Linderholm Wood), he retired to stud at Merrilane, which assumed co-ownership, where he remained until his death at the age of seven. He is a Sire of Merit, having produced 10 champion offspring, including the famous Ch. Merrilane’s April Fashion. Of the many Boxers owned, shown and loved by Box M over the last 35 years, “O.J.” most closely personified my ideal of the Boxer.

Boxella Kennels congratulates the American Boxer Club on it’s 50th Anniversary. Ironically, Boxella Kennels is also celebrating it’s 40th year in Boxers by featuring some of our early Champions whose breeding is most interesting.

All four were sired by Ch. Dempsey’s Copper Gentleman. The litter mates known as the Roaring “R” litter, Rodger, Ricardo and Roxella were out of Rio Rita of Cross Acres. She by Ch. Jered’s Soverign, ex Ch. Jered’s Sweetstuff. Rio Rita’s dam was Konchita of Cross Acres, the dam of 5 champions. Peg O’ My Heart was out of Coveta of Cross Acres who in turn was sired by Ch. Neff of Cross Acres from a litter of 5 champions, Nikko, Nilla Nemese, and Nonita A BEST IN SHOW WINNER. These four Boxers were very instrumental in the 28 plus Champions produced by Boxella.

TO: Mr. & Mrs. Daniel M. Hamilburg

Dear Mom and Dad,

I wonder if the Boxer world can begin to understand the impact and contribution you both have made to the breed? I wish they could see, as I have, the years of dedication and hard work, and just how much you have loved the dogs.

I know that you are not alone in your efforts. There have been many others, and I hope there will continue to be, but you are my parents and I want to thank-you both for all that I have see you do for the Boxers, and for the joy I have experienced sharing this part of your lives with you.

This photo of me with "Davy", (CH. Salgray's Ambush, then only 6 months old), captures the hopes, expectations and pride I felt for him and for so many of our dogs. So, not just for your contribution to Boxers, but more personally for the great happiness Salgray has given and continues to give me, I thank-you.

With Love and appreciation

Mrs. Daniel M. Hamilburg
And Friends

Mrs. Daniel M. Hamilburg, or Phyllis, as she is known to those who know her best, is the reason there was the first Boxer puppy in their household in 1952. At that time, no one could foresee this beginning would so influence the breed for the next 32 years, but it has... The success Phyllis and Dan have enjoyed in this Boxer Dog World has been the result of much hard work, dedication and true love of the breed. All of this hasn't gone without disappointments, they've been there.

It has been said that she had difficulty convincing Dan that she should have that first Boxer pet "Sally". It also has been said that he has been a pushover for her. The rest is history.

History of Salgray...
Ch. Sally of Grayarlin

October 1952 - Fawn
Ch. Dover of El Rose x Lady V Emily

SALLY is where this all begins... She was purchased from then Jane Kamp of Grayarlin Kennels as a family pet. After much encouragement by Jane, we consented to show our newly acquired pet. After a most successful campaign, she finished her championship with Winners Bitch at the esteemed Morris & Essex Dog Show, June 2, 1955. From the name of this, our first Boxer Champion we created the prefix Salgray...

After campaigning “Sally” so successfully to her title, we were becoming more than enthused over showing Boxers and felt we wanted more dogs. We purchased the above littermates, and at thirteen months “SABOT” was Winners Dog and Best of Winners at the Morris & Essex Dog Show the same day “Sally” finished her championship. Upon completing Slipper’s title, we bred her to Ch. Barrage of Quality Hill, a Ch. Bang Away son. From this mating, we got Ch. Salgray’s Battle Chief.

**CH. SALGRAY’S BATTLECHIEF** was a multiple Specialty and All-Breed Best in Show winner. He was the sire of twenty-three champions, which includes six champion offspring from the “Fabulous F Litter”. **CHIEF**, in 1958 received the ABC Award for Siring Most Champions and Boxer Review’s Award for Best in the East.

**CH. MARQUAM HILL’S FLAMINGO** was a multiple Group and Best in Show winner also. We acquired her as a very small puppy and eventually bred her to our Ch. Salgray’s Battle Chief. The mating blessed us with the “Fabulous F Litter”, and upon a repeat breeding, produced another, Ch. Salgray’s Memory Book.
