"MISTY"

Sire: Ch. Ch. Scher-Khoun's Shadrack

Dam: Milray's Flame of Candlewood

Words seem so empty, as empty as your throne on the family room couch, to tell the world what you meant to us. You not only wanted to crawl inside our skin to get as close as possible to us — but you would try to talk to us in only YOUR special way. You loved to entertain our guests by singing along with a harmonica and you were so happy with the applause. But most of all, your love of puppies, your own and anyone else's, even outweighed your love for us. We have never and may never again see a bitch so devoted and with such dedication to puppies as you, Misty. We miss you so — and will never forget — rest well sweet Misty, we love you.

This special A.B.C. Anniversary Supplemental Volume also holds a special significance for Arriba, for the Summer of 1985 will mark the 20th anniversary of the first show ring appearance of an Arriba boxer. The “Bug” bit hard, as all other aspects of my life for the past 20 years seem to have taken secondary importance to the breeding, rearing, showing, and just plain “owning” and loving this great breed we all love so much.

The more involved I became in the task of locating the photographs and reference material for this publication, which would seem quite simple at first, the more time consuming it became, as I found myself re-reading old catalogs and tear sheets and brooding over photographs of long departed Arriba boxers, and occasionally just day dreaming, reliving so many past experiences, both joyful and of course, some unpleasant. But finally I realized that the entire project had brought me a new “High” — amazing and heartfelt appreciation, not only of these boxers, but also of so many people associated with them whose paths crossed mine along the way. Whereupon I decided that I must include this verbalization, at the risk of boring the reader, for it is most meaningful to me, and I may never again have the opportunity (or degree of motivation) to so express myself.

The deepest and most meaningful friendships of my life have been with people in the boxer world and I take this opportunity to express my undying gratitude to the following:

Phyllis and Dan Hamilburg for the tremendous influence of the many Salgray dogs in our pedigrees today and for the wisdom and moral support on so many occasions. It is overwhelming when one realizes that (in all probability) all of the dogs in this year’s specialty, as well as probably the past several, have Salgray in their background.

Dr. Lloyd and Mary Flint for knowledge willingly shared, the influence of CH.’s Flintwood’s Live Ammo and Linebacker and their illustrious Flintwood ancestors, and for giving “Boatsie” such happiness and comfort in his later years.

(I learned more about whelping and rearing puppies from Phyllis Hamilburg and Mary Flint than was ever taught in veterinary school.)

John and Patsy Connolly for loving and showing ten of the early Arriba dogs to their championships and for the great influence of CH. Capriana’s Renegade in the Arriba breeding program, and for the good times.

Linda and Jerry Huffman and Carole Connolly for their recognition and use of the Arriba bloodlines in the “Early Days” and for their part, and also to Dawnetta and Larry Fields for theirs, in making Arriba’s Ultimate a Dam of Merit.
To all of the following people who played such important parts in so many ways to ensure the success and well-being of Arriba, bred or owned dogs instrumental to our breeding program, handled Arriba dogs to their championships, have obtained and/or used Arriba dogs in their own breeding programs, opened their homes to me in my travels, cared for my dogs when I was incapacitated by illness, moving, or had to be away from home, supplied home cooked meals to prevent a terminal case of "McDonalditis", helped in situations far and beyond the realm of duty of ordinary friendship, and just plain let me know they were there when and if I needed them.

The cast, in approximate order of appearance as they first crossed the aforementioned paths, (some now deceased, but fondly remembered):

Alice and Larry Stadler; Henry, Dorothy, and Dierdre Dearborn; Catherine Dunn; Elaine, Steve and Lynda Deemerit; Scott Rutherford; Peg Lynch; Harriet and Jim Campbell; Beverly Moore; Jane and Bob Forsyth; Grayce Dingwell; Joan and Jack Loughlin; Norman and Ruth Talcofsky; Arthur and Shirley Ponsart; Olan, Barbara, and Cynthia Donnelly; Lowell and Cynthia Reardon; Virgil Baribeault, Irene Fox; Bert and Emagene Brown; Jean and Pat Pagano; Alice and Carl Wood; Bob, Lorraine, and Steve Bellehumeur; David and Stephanie Abraham; Ed, Florence, and Marylou Wilderson; Ray, Judy, Kim, Scott and Zina Derosa; Joan Curtis; Ray and Evelyn Norsworthy; Shirley and Ben DeBoer; Carol, Mike, Tami, Tom, Toni, and Tiffany Nesbitt; Pat and Jack Billhardt; Bill and Karen Simmons; John and Sandy Leupold; Ed and Loretta Walsh; Pat Murphy; Diane DeLorenzo; Jayne Rosser, Melody Goodwin; Carmen and Glenn Skinner; Gerard Hughes; Liane Dimitroff; Chic Ceccarini and Family; Judy Cohen; Carolyn Halik; Suzanne Workman; John and Portia Harig and Jill; Ray and Barbara Vittitoe; Sam, Win, and Allison Bitler; Ray and Jane Guy; Carla Pratt; Sulev and Wilman Rikas; Jeannine and Don Frye; John and Nancy Gilbride; John, Marge, John, Wendy, and Tim Flaherty; Georgina Kuapil; Eleanor Linderholm Wood; Keith and Joel Robbins; Agnes, Jean, Danny and Cornell Buchwald; Joe, Dorothy, and Ginny Shames; Norman and Josette Crook; Dick and Kathy Frohock; Charles Phaneuf II; Pete and Maria Iaccino; Karen and Jeff Ontell; Valerie Clows.

Also to other members of the Middlesex Boxer Club from past to present for helping to make ours such a great club and thus increasing the enjoyment of boxer-related activities.

Last, but not least, to the American Boxer Club and the endless devotion and hard work of so many of its members, both past and present, for without A.B.C. none of this would be possible.

The three bitches pictured on this page are littermates whelped on April 10, 1967 by Ch. Capriana's Renegade x Ch. Arriba's Amulet. All three were producers of Champions and instrumental to our further breeding program. One of my greatest thrills in boxers was seeing Calypso and Castanet along with Prima Donna (who went on to W.B. & B.O.S.) all three in the Winners Bitch class as the 1968 Specialty Show.
