Both stars skillfully directed by Robert L. Phillips
"Its About Time" is 25" tall. He excels in elegance, head, neck, topline, tailset, rear, and temperament. He is a natural showman. And as a added bonus, study his pedigree with all the producing lines behind him. He was BOW at his first show at 6 months. Above picture he was BOW at 13 months. "JIMMY" has been at home "growing" up, and about ready to go out and finish his championship.

Also watch for De-Jons Instigator and Americanna's Lindsy of Enclave (both co-owned with Walt Pygman) and Nastinan's Charm of Interlude. Show litters planned in 1985.

INTERLUDE BOXERS dedicates this page in memory of Ch. Rowjays Sawnee of Georgia and Interlude's Look To The Stars (12 points), whom we lost in our house fire. They are in our thoughts always.

Ch. Indian Bend’s Buffalo Gal

Rated as America’s Number 2 Boxer (Canine Chronicle, June 1980), “Mac” has been the Boxer to Beat in the southeastern United States. Handler Houston Clark and Buffalo Gal “Ran For The Roses” twice in May, 1980 with All-Breed BEST IN SHOWS under noted veteran Judge Phil March (pictured) at the Montgomery Kennel Club and followed that six days later at Vicksburg with another BEST IN SHOW under the well-known Breeder/Judge, Ruth Wurmsen.

“Mac” completed her title at the Dallas Specialty September 23, 1978 at which time she was acquired from her breeders, Dr. Kent and Nancy Durfee. Her debut was made in the spring of 1979, the interim being spent with Houston Clark at his beautiful Chattanooga Kennel being conditioned for what has become a spectacular career. A daughter of Ch. Araby’s Short Stop and an Indian Bend bred bitch (Short Stop is sired by Moonshadow who is by Fashion Hint), it is interesting to note that eight generations of continuous Best in Show Boxers have come from Bang away, Barrage, Battle Chief, Fashion Plate, Fashion Hint, Moonshadow, Short Stop and........Buffalo Gal!
